

# Year 2 Term 2 Newsletter

## What we are learning:

**English:** Conjunctions, sentence types

**Maths:** Addition and subtraction, shape

**Science:** Mechanisms

**RE:** Why does Christmas matter to Christians?

**Computing:** Taking photos

**Geography:** Continents and oceans

**History:** Gunpowder plot

**Art and DT:** Moving pictures

**PSHE:** Celebrating difference

## What you can do to help:

Reading is a priority for our school; therefore, we expect to see daily reading in their Reading Records.

Reading activity will be monitored and rewarded with Dojo points and prizes. AR quizzes taken at home are appreciated, but we also make time in school.

*Did you know?*

You can search for books using AR Book Finder:

<https://www.arbookfind.co.uk/UserType.aspx?RedirectURL=%2fdefault.aspx>

TTRS - counting in 2's, 5's and 10's with your child and encouraging them to log on to TTRS will really help them.

EdShed is a great way to help learn spellings and are set on there weekly.

We will also be sending home some 'high frequency' words and 'common exception' words to help children learn these.

## PE:

Children will continue to have two PE sessions a week, one outdoor and one indoor. Please ensure your child has appropriate clothing as it is now getting much chillier.

Earrings need to be removed or covered with your own tape.

Jemison: Wednesday (indoor) and Thursday (outdoor)

Rousseau: Tuesday (outdoor) and Thursday (indoor)

## NATIVITY

Our Nativity is on Monday 18<sup>th</sup> December.

2:00pm

## Coats:

Please ensure you send your child in with a coat each day as we still go outside if damp or light drizzle.
